12.	Dr. Chetan Vasudeva, HOD (EE), DAV University, Jalandhar	Alumni

The following were the Agenda items regarding Curriculum Revision of B.E. Program of Electrical Engineering as per outcome based education implemented from Academic session 2018-19:

1. Finalize the syllabus of B.E. (Electrical Engineering) for 2018 batch onwards.
2. To update the program specific outcomes for UG program for 2018 batch onwards.
3. Redefining labs as per syllabus for 2016 batch and 2018 batch.
4. To analyze the CO-PO mapping.

The syllabus and scheme of B.E. Electrical Engineering program was discussed at length and the outcome of the discussions are as follows:

1. The contents of syllabus for B.E. (Electrical Engineering) program for 2018 batch onwards has been modified, wherever required and approved.
2. Deliberations were made to update the PSO's of B.E. program in Electrical Engineering. The PSO's were finalized according to the suggestions of the members.
3. Based on the outcome evaluation of 2014-2015 batch and 2015-2019 batch, there were certain PO's which were mapped poorly. Suggestion were made to include project work in subjects and relevant standards wherever possible and further mapping in general are also deliberated and improved. The mapping of CO's with PO's and PSO's have been analyzed and modified as per suggestions of all members.
